

Job Site Visits

THE CAUSE

Oasis For Girls partners with high school aged young women of color from under-resourced communities to help them cultivate the skills, knowledge, and confidence to discover their dreams and build strong futures. Our signature Springboard Series of programming empowers girls through comprehensive youth development via life skills and social justice, arts exploration, and college and career readiness.

Tips for connecting with the girls:

- **Express interest in the girls.** Asking where they go to school, what they do for fun, etc.
- **Consider their financial limitations.** All of our youth are low-income and have limited access to resources. When you talk about your life experiences (how you paid for college or travel) please consider their financial position.
- **Have fun!** If you approach the conversation with genuine excitement and interest, the girls will appreciate your positive attitude.
